2021 New Start Friends & Alumni Scholarship

The New Start Friends & Alumni Scholarship Fund was created with the goal of providing financial assistance for incoming University of Arizona freshmen to attend the New Start Summer Program. Each year, the fund is made available through the generous donations of friends and alumni of the program, as well as community foundation grants, to support students who are not eligible to receive financial assistance through the federal Pell grant but still have demonstrable financial need. The number and amount of each scholarship award varies based on the amount collected each year. Recipients of this scholarship will have funds applied directly to their University Bursar's account by the beginning of the program. This scholarship can only be applied towards New Start tuition and fees. It is not a cash award and cannot be applied towards other cost-of-living expenses. Students who are receiving a federal Pell grant for Summer 2021 are not eligible for consideration as their programs costs are covered by the Pell Promise.

ELIGIBILITY

In order to be considered, an applicant must:

1. Be a U.S. citizen or permanent resident;
2. Be accepted and enrolled in the University of Arizona's New Start Summer Program;
3. Have a completed 2020-2021 and 2021-2022 FAFSA on file with the University of Arizona by the time of scholarship review and have been determined to be ineligible to receive a federal Pell grant (EFC greater than 4900 on the 2020-2021 FAFSA);
4. Have demonstrable financial need for which assistance is required to attend;
